A FRUITFUL REVOLUTION

From the Silverado and Oak Valley, these new breed apple apples (right)

A REPORTER of the apple revolution, apple orchards in the United States are growing more and more diverse. In 1980, in the Silverado region, the most widely planted apple was the Golden Delicious.

By GEORGE F. CHIPMAN

For over 100 years, the Golden Delicious has been the most common apple in the United States. It is a sweet, crisp, and juicy apple that is easy to grow and has a long shelf life. It is the most common apple in the United States, and it is the most common apple in the world.

THE SCRAP BOOK

It Stands in Two Countries

ONE OF THE most unique public buildings in the Americas, the *Scrap Book*, stands in two countries. The *Scrap Book* is a small, two-story house with a chimney, surrounded by trees and a fence.

BAKE IT THIS EASY WAY!

• Place a whole or half Premium Ham in a roaster. Add 2 cups of water, and cover the roaster. • Bake in a slow oven (325°), allowing about 22 minutes a lb. for a large whole ham; 23 minutes a lb. for smaller (up to 12 lb.) hams or half hams. • When ham is done, remove from oven, lift off lid. Score surface and dot with cloves; rub with mixture of 1/4 cup brown sugar and 1 tbsp. flour. Brown, uncovered, for 20 minutes in a hot oven (400°).

And try this salad! Dissolve 1 tbsp. gelatin in 1/2 cup boiling water from a No. 215 can black cherries. Add remainder of juice, and thoroughly mixed contents. Mix and flambéed overnight. 1/2 cup sliced, peeled fruit which have been placed in individual molds. (Cakes. Make 6 salads.)
